INFORMATION SELLER AND BUYER

ICC WARNING (ICC Commercial Crime Services.)

This is a very important message to anyone involved in the commodities industry on the new measures with respect to the Buyers and Sellers conducting old and other commodities transactions. If an ICPO, LOI, RWA or BCL is issued and the documents are not real, the Buyer will be able to inform the FBI, ICC and INTERPOL. In addition, after an FCO is sent to the Buyer, there should be a formal answer to the Seller from the Buyer. If there's no response from the Buyer in a timely manner, the buying company will be reported to the FBI, ICC and INTERPOL. If this action is repeated by the sellers, they will also be reported because of abuse of the NCND, LOI, ICPO AND RWA OR BCL, FOR THIS IS A FEDERAL OFFENSE. It is important to transmit this to all clients that work with providers that are members of the ICC, FBI and other international organizations, From this point forward, the international codes will be strictly enforced to exclude all intruders that send out false information. Those who submit false NCND/IMFPA, LOI, ICPO, RWA OR BCL OR FCO, as well as FALSE PROOF OF PRODUCT (POP), WILL BE CHARGED WITH A CRIME. This went into effect November 15, 2008 after a meeting was held between the Federal Reserve, European Central Bank, Interpol, Federal Bureau of Investigation and Central Intelligence Agency
